Mayor McQueary presented former Mayor Gourley with his gavel mounted on a plaque, and read the inscription.

Councilor Gourley had a correction to the January 12, 1999 City Council Meeting Minutes: On page 8 under Election of Mayor, the abstention should be McQueary (rather than Gourley).

Councilor Gourley moved to approve the Consent Agenda (approval of the December 15, 1998 Special City Council Meeting Minutes; approval of the January 12, 1999 City Council Meeting Minutes as amended above); approval of Intergovernmental Agreement - Sweet Home Stockpile; and approval of 1997 Storm Drainage Master Plan Update), with Councilor McIntire seconding. Question was called. The motion passed with 6 ayes and 1 absent (Fentiman).

Vacancy on Budget Committee	City Manager Martin said no applications have been received.
Vacancy on Planning Commission	City Manager Martin said no applications have been received.
Vacancy on Traffic Safety Committee	City Manager Martin said no applications have been received.
Public Safety Services Funding	City Manager Martin said Chief of Police Burford prepared an RCA, but was unable to be here tonight. The RCA is similar to the one presented for the November 1998 election. It would be to authorize placement of a ballot measure for a local option levy on the May 1999 special election in the same amount as the expiring third year and then cap for the additional 3 years at a 3% maximum increase. This would put the public safety levies on a general election renewal cycle. This was discussed at the Budget Committee meeting last week, and it was the consensus of the Budget Committee to pass this on to Council.
